

BULLDOG

Mrs. Jane Bailey

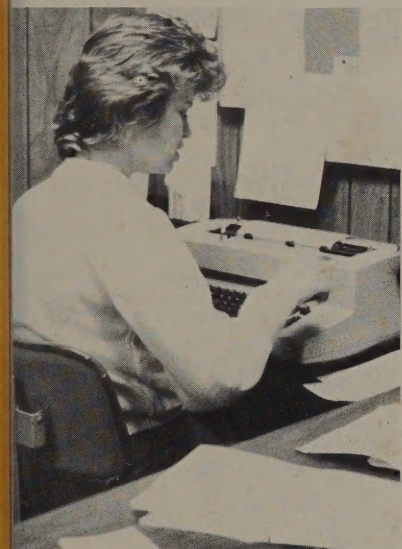

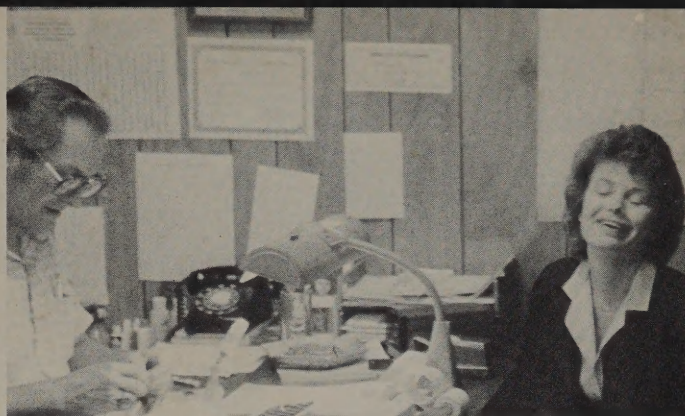

ALLEN COUNTY PUBLIC LIBRARY

3 1833 07523 0141

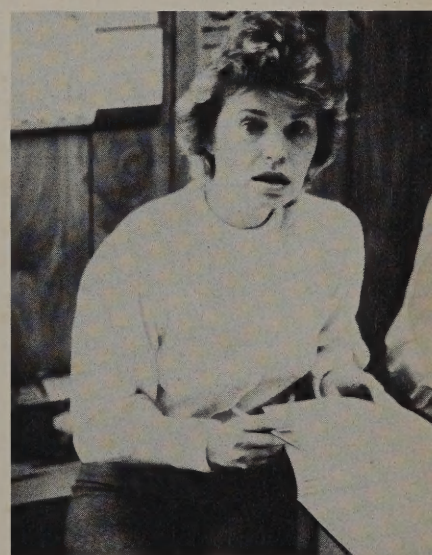

We, the Senior class of 1983, feel we should take this opportunity to recognize a terrific person who has played a very special part in the four years we have walked the halls of Alvord High. She has shown limitless enthusiasm, undying school spirit, and cheerful and constant support of all school activities. We realize, too, that she did all this, not because she had to, but because she wanted to. For these reasons we consider it an honor to dedicate this 1983 "BULLDOG" to Mrs. Janet Clement.

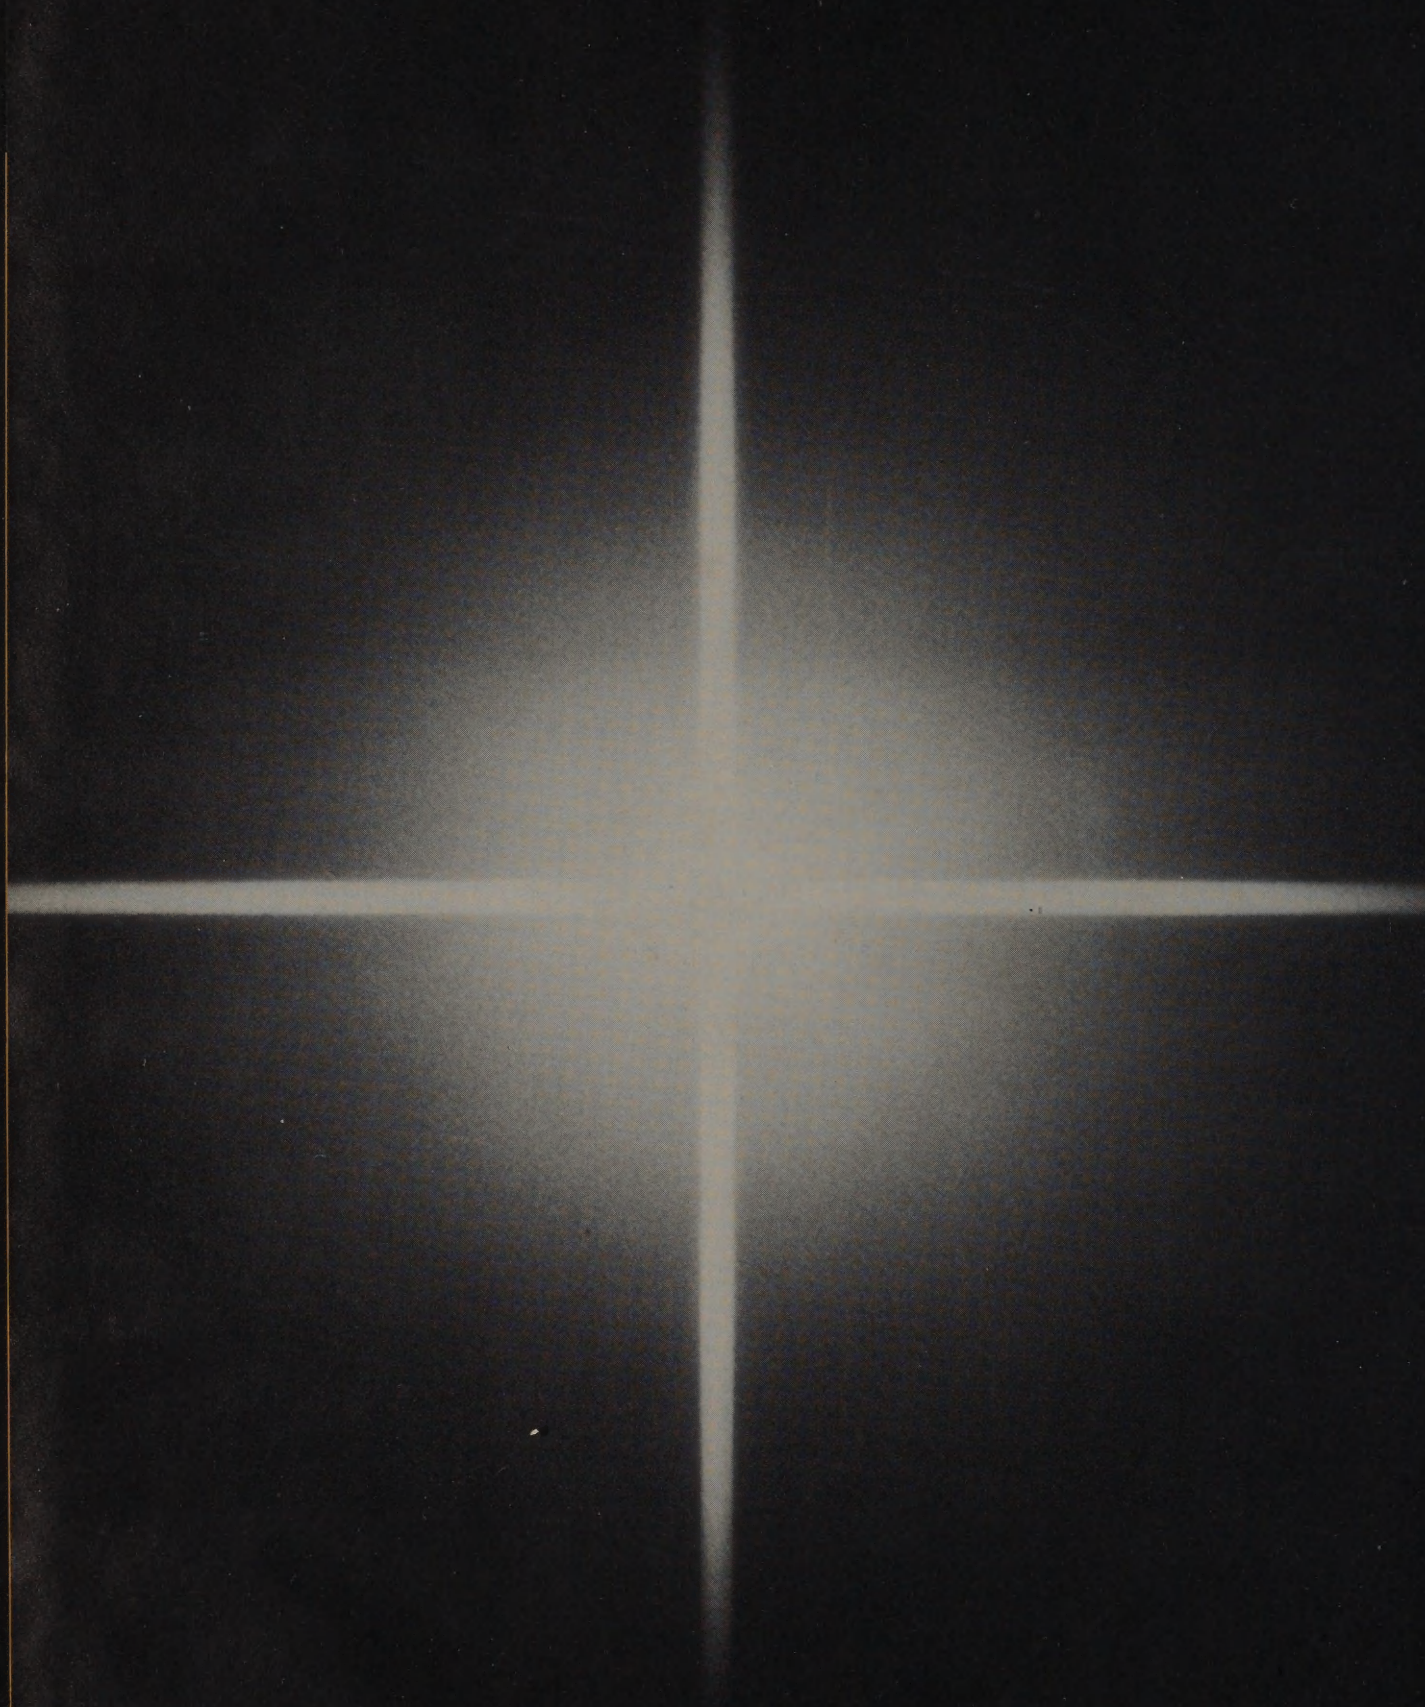

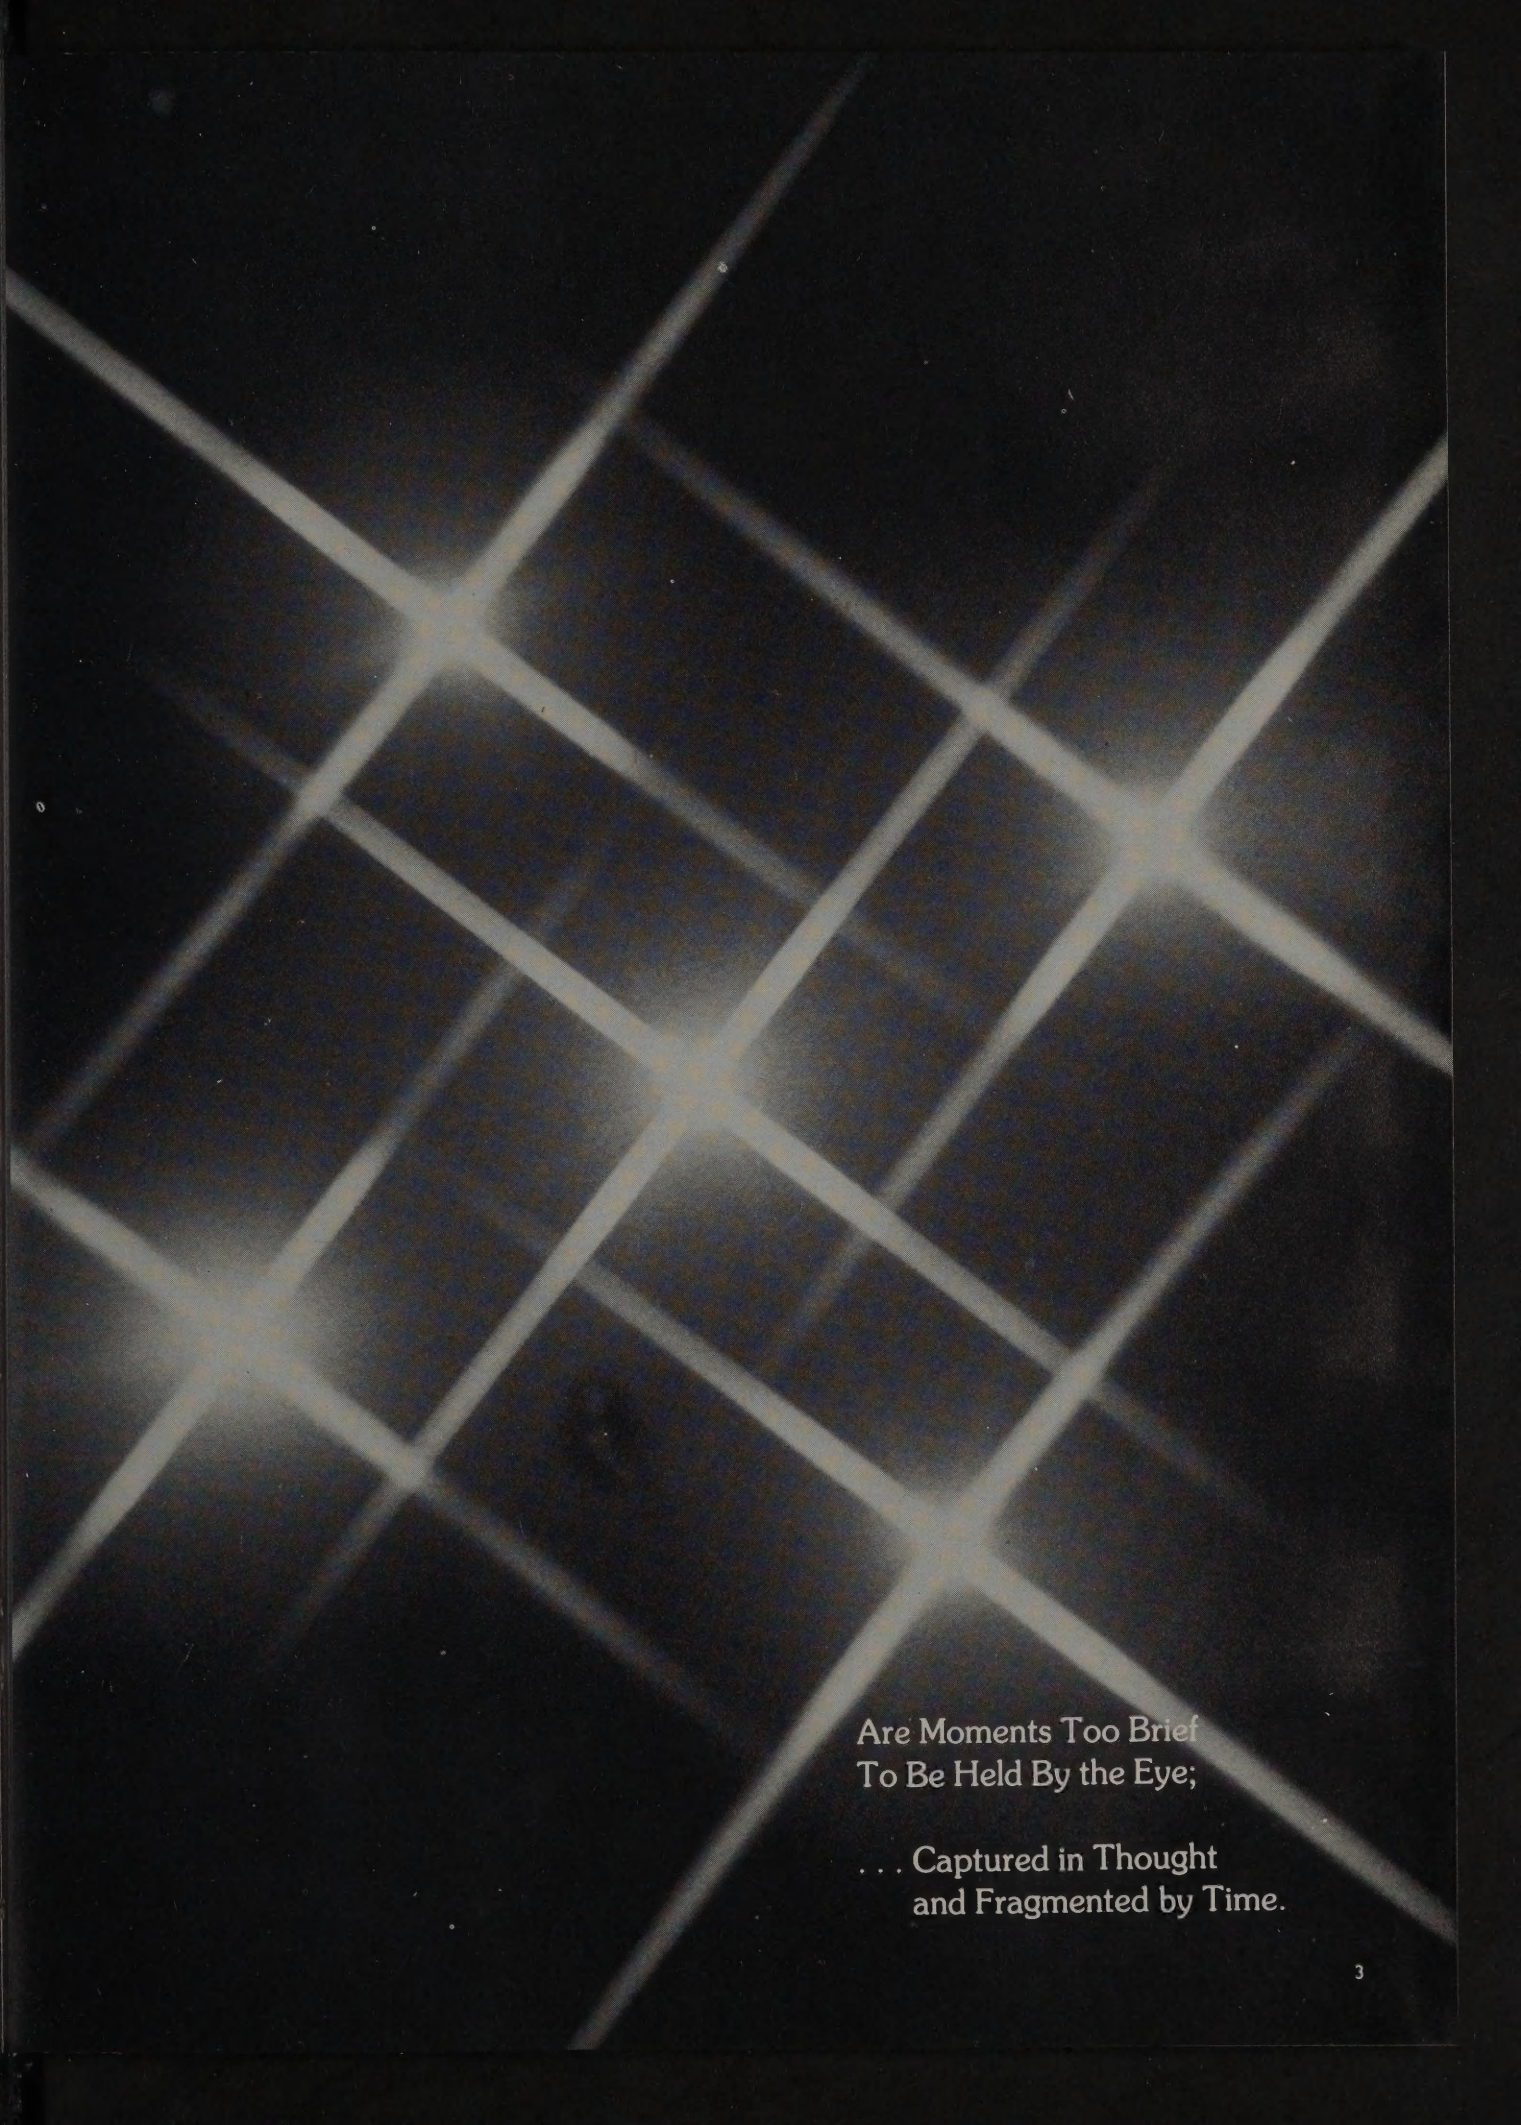

THANK YOU

Senior Class of 1983

Within the Bright Promise . . .

Are Moments Too Brief
To Be Held By the Eye;

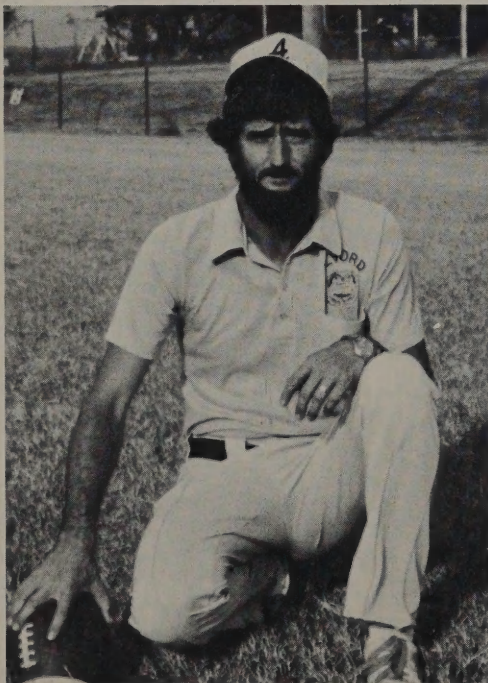

... Captured in Thought
and Fragmented by Time.

Annual Staff

The members of the Alvord Annual Staff would like to express our appreciation to those who contributed to our final year at Alvord High School. We would also like to say a special "Thank You" to Mr. Thweatt for the many long hours and hard work he put into the creation of this annual. We sincerely hope it will bring back the many joyous memories of the 1982-83 school year.

The Senior Class of 1983

Annual Staff Sponsor:
Mack Thweatt

THE BIG FIG NEWTON!

"J. R. Plans his strategy!!"

Playground duty can sometimes be a hair-raising experience.

"These decisions are killing me."

"Who says I'm too big for trick or treating?"

MAINTENANCE — Jimmy Hunt, Ray Mitchum, B. Israel

CUSTODIANS — Linda Hunt and Dortha Anderson

LUNCHROOM — Hazel Sherwood, Delaine St. John, Barbara Shipp

Maintenance and Service Personnel

BUS DRIVERS — Jimmy Hunt, James Hurst, Leroy Morris, Mildred Hurst

"No sir, I think they went that way."

"Quick! Hide the evidence!"

"I wouldn't be near as confused if somebody would tell me what's going on."

We finally got some decent looking cheerleaders.

"I'm not lying Tom, I saw a guy with three arms."

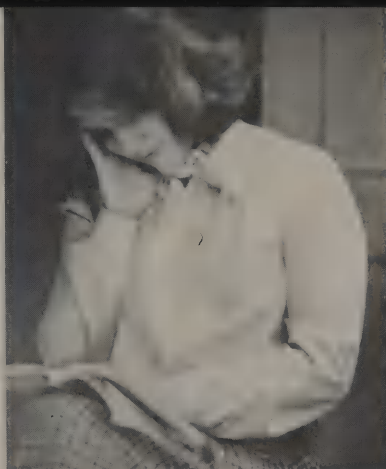

"No Hood, you can't hang on the rim here either."

"Gay's heavier than you think she is."

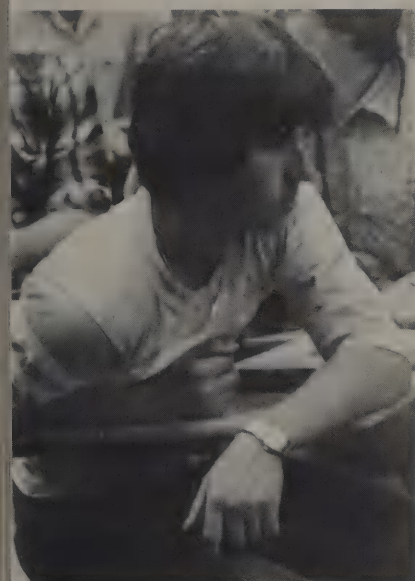

"Oh, gosh. I'm so popular."

"This is the most exciting play I have ever read."

Just hope they don't know the formula for the bomb.

"School wears me out."

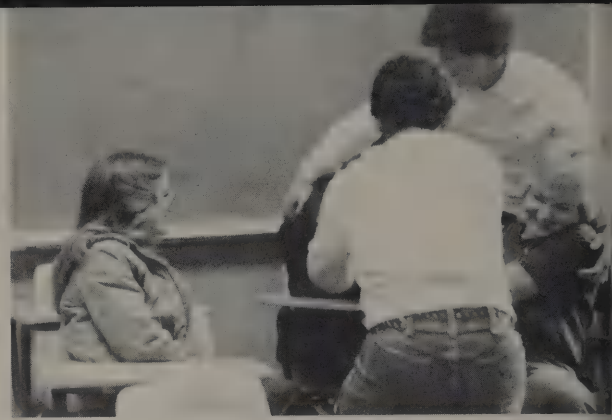

"I don't get no respect."

"Excuse me! This is *not* where the drummers' auditions are held!"

"My fans are calling."

We have heard that strange looks and abnormal behavior often accompany high intellect — these photos seem to capture all the intelligence of some of the Top Ten students.

Sr./Soph. Vs. Jr./Fresh. In Powder Puff...

1

2

3

4

(1) A pep rally? starts the day off and (2) cheerleaders attempt to create enthusiasm as (3) Coach Cole lays down the rules for both sides. (4 and 5) Last minute details are worked out (or maybe the Jr./Fresh. team members are looking for some help in the form of divine intervention). (6, 7, and 8) The action resulted in both sides scoring one touchdown apiece and the final score was a very wet 6-6 tie. (9) Two of the finest try to find dates for after the game.

5

◀ FFA Conducting Teams

Eilene Pittman — FFA Sweetheart

Members of the FFA and FHA spend many long hours of preparation in readying themselves and their various projects for the contests, exhibits, and shows they participate in each year.

Livestock shows, beginning in October and continuing through April, range in size from the locally sponsored to state and nation-wide competition. Major shows and expositions attended include the State Fair in Dallas, Fort Worth Fat Stock Show, and the Houston Livestock Expo-

sition. A local project show . . . the annual Wise County Youth Fair, and various area shows complete the schedule. FHA members are involved in the making and showing of clothes, crafts, and food. They too compete and exhibit on the local, county, and area-wide levels.

As a result of their participation — and the leadership, encouragement, and guidance given them — these experiences have become an important and meaningful part of education.

You can help.

You've heard a lot about the need to conserve electricity and all forms of energy. Not only does conservation help save our nation's precious energy resources, it helps you and your family save money since the cost of energy is a big chunk out of most families' budgets.

savings

You can help your family by doing your part... make sure you close doors and windows

refrigerator

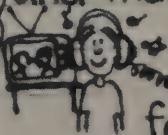

when the heating or air conditioning unit is on; don't "graze" when you raid the refrigerator - know what you want before you open the door;

hot water takes energy -

try a shorter shower;

and make sure the television or stereo

Turn off the T.V.!

is off when you're through with it. Work with your

family to save energy now...

you'll help make sure there will be enough for everyone when you start a family of your own.

Time's up!
